

**First  
Semester**

**Lessons  
One, Two,  
Three, Four, and  
Five**

**Unit Three  
Along the  
river**

**Class  
Fourth**

**Subject  
English**

**Question 1** Choose the correct answer from the following options:

- 1) Which word completes the missing letters for a natural feature? Riv \_\_\_\_\_  
A) ur                      B) ar                      C) er                      D) or
- 2) It's got a lot of buildings and a lot of people. It's very big. What is it?  
A) Forest                      B) City                      C) River                      D) Island
- 3) It's got water. It's wide. It isn't a river. It isn't a waterfall. What is it?  
A) Lake                      B) River                      C) Forest                      D) Island
- 4) It's hard to climb. It's very high. What is it?  
A) Forest                      B) Lake                      C) Hill                      D) Mountain
- 5) It's got water all around it. What is it?  
A) River                      B) Island                      C) Lake                      D) Forest
- 6) It's got a lot of trees. What is it?  
A) Forest                      B) Mountain                      C) City                      D) River
- 7) Complete the word: I S L \_ N D  
A) e                      B) u                      C) o                      D) a
- 8) Complete the word: R I V \_ R  
A) a                      B) o                      C) e                      D) i
- 9) Complete the word: W A T E R F \_ L L  
A) o                      B) a                      C) i                      D) e
- 10) Complete the word: T O W \_  
A) n                      B) m                      C) p                      D) r
- 11) Complete the word: H I L \_  
A) m                      B) k                      C) l                      D) n
- 12) Complete the word: L A K \_  
A) i                      B) o                      C) a                      D) e

**First  
Semester**

**Lessons  
One, Two,  
Three, Four, and  
Five**

**Unit Three  
Along the  
river**

**Class  
Fourth**

**Subject  
English**

13) Complete the word: M O U N T A \_ N

- A) i                                      B) e                                      C) o                                      D) u

14) Complete the word: C I T \_

- A) o                                      B) a                                      C) y                                      D) e

15) What does this picture show?

- A) Hill                                      B) Mountain                                      C) Forest                                      D) Lake

16) What does this picture show?

- A) Mountain                                      B) Lake                                      C) Hill                                      D) River

17) What does this picture show?

- A) Forest                                      B) River                                      C) Lake                                      D) Mountain

18) What does this picture show?

- A) Lake                                      B) Forest                                      C) City                                      D) River

19) The lake is \_\_\_\_\_.

- A) high                                      B) deep                                      C) wide                                      D) tall

20) The mountain is \_\_\_\_\_.

- A) long                                      B) wide                                      C) deep                                      D) high

21) The river is \_\_\_\_\_.

- A) wide                                      B) high                                      C) short                                      D) deep

22) "The Amazon is the \_\_\_\_\_ river in the world."

- A) wider                                      B) wide                                      C) widest                                      D) smaller

23) "This hill is \_\_\_\_\_ than that mountain."

- A) smallest                                      B) smaller                                      C) higher                                      D) small

24) "The bags were too \_\_\_\_\_ for Fatma."

- A) deep                                      B) small                                      C) light                                      D) heavy

**First  
Semester**

**Lessons  
One, Two,  
Three, Four, and  
Five**
