Model Paragraph — نموذج فقرة (أصلي)

(Original model, written for this lesson.)

What Makes Me, Me

I stand for honesty, curiosity, and hard work, and these values have shaped my personal identity. I believe that being honest with others has helped me build strong friendships, and being curious has helped me learn new things every day.

For example, I have helped my younger brother with his homework, and I have been trusted by my teachers because I always tell the truth. Many chances for self-discovery have taught me that being unique is something to be proud of, not something to hide.

These choices have shown that honesty and curiosity are strong parts of who I am.
