(Original practice dialogue for this lesson, on the same topic.)

Sara: Hi Nour! Have you ever learned about personal identity?

Nour: Yes, I have. I've learned that everyone is unique in their own way.

Sara: That's right! I've been through a lot of self-discovery this year. It has helped me feel more confident.

Nour: That's great! I've also started to feel more confident. My self-respect has improved because I've learned to accept myself.

Sara: I've noticed that people who have faced challenges positively have shown a lot of strength.

Nour: Yes, and many students have been helped by supportive teachers.

Sara: I agree. I've also seen how important honesty is. When someone stays true to who they are, people respect them.
